This restriction is not meant to disallow camping visits for temporary periods or temporary outings for the quiet enjoyment of the property. Construction trailers or mobile homes shall be allowed only for a maximum of one (1) year during actual construction of a site built dwelling.

3. That I hereby certify that a total of seventy (70) ballots were sent to the property owners of record containing the language of the proposed Amendment. The Amendment passed by an eighty two percent (82%) vote.
